

Dear Sir / Madam,

Warm greetings from the Organizing Committee.

We are delighted to invite your esteemed organization to partner with us as a sponsor and participant in the upcoming National Conference ICAAICON 2026 on Asthma, Allergy, Immunotherapy, Occupational disorders and Climate change- a focused academic event bringing together leading pulmonologists, physicians, pediatricians, Otolaryngologists, allergy specialists and Experts involved in Occupational disorders.

All these disorders are among the fastest-growing chronic conditions worldwide, with significant unmet needs in diagnosis, long-term management, and patient education. This conference is designed as a high-impact scientific platform to discuss recent advances, real-world challenges, and emerging therapies in their care.

Sponsorship benefits include: High-visibility brand presence among relevant specialists

- Direct interaction with clinicians actively managing asthma and allergy patients
- Opportunity to showcase products, devices, and innovations through exhibition and scientific engagement
- Association with a credible academic forum, reinforcing your company's commitment to education and patient care

We believe that collaboration between the medical fraternity and the healthcare industry is essential for improving patient outcomes, and your participation would add substantial value to the conference.
